

New Jersey Chapter

Presents a

Charles B. Wang Community Health Center **Pediatric Christmas Gift Giving**

After a hiatus due to COVID-19, OCA-NJ's annual Charles B. Wang Community Health Center (CBWCHC) Service Project is back! CBWCHC's mission is to provide high quality and affordable healthcare to all, building on their heritage of success in caring for underserved Asian Americans.

Many of their underserved patients may not get to experience a Christmas gift. OCA-NJ will drop gifts off in mid-December to the Manhattan Chinatown site for staff to distribute to pediatric patients.

For the first time, OCA-NJ general members and friends are invited to buy gifts for the participants of our service project. If you want to buy a gift of up to \$10.00 per child ages 4-11, please bring your wrapped gift to our Holiday Ball on Saturday, December 3, 2022.

Please label it with:

- Age range of gift (ie., 3-6, 6+, etc)
- Gender (M, F, unisex)
- Your name (optional, to receive a Thank You card)

Unable to attend the Holiday Ball? Questions, please e-mail theresa.ocanj.cana@gmail.com.
